# Request for an Application
# 2023-24 Academic Year

The following form when completed and submitted to the Leopold Schepp Foundation serves as a formal request for a scholarship application. Upon receipt of this form, the Scholarship Committee will determine your eligibility for an application. Before completing this form, please make sure that you meet all of the guidelines for eligibility that are posted on the website and that you add the Schepp Foundation to your email "Safe Senders" list

1. Provide the following information

Name

Mailing Address

Email

Telephone home

cell

2. What is your education to date? List high schools, colleges and/or universities attended/attending. Include starting dates, graduation dates, degrees obtained or expected and final or most recent GPA. Indicate “NA” when not applicable. (Attach additional pages, if necessary)

High School

Name Dates Attended Dates Of Graduation GPA

Community College

Name Dates Attended Degree Received or Expected GPA

Undergraduate

Name Dates Attended Degree Received or Expected GPA

Graduate

Name Dates Attended Degree Received or Expected GPA

Graduate

Name Dates Attended Degree Received or Expected GPA

3. This request for an application is for the 2023-24 academic year. Please indicate below where you plan to be enrolled in 2023-24 and when you expect to graduate or complete this program. In the case of PhD candidates, indicate the month and year that you will complete your required coursework (final year you will be full time in the classroom).

College/University | Expected Date of Completion | Degree Sought

4. What is your vocational goal?

5. Provide a statement of your financial need

What is your age?

7. Are you a citizen or permanent resident of the United States if not, where'

8. What is your availability for an interview in New York City? A personal interview with the Executive Director and a Trustee of the Foundation is required of all applicants between the months of September and February. Before requesting a formal application, you must consider if you can arrange to be present for an interview. The Foundation does not reimburse travel expenses.

If you have special or extenuating circumstances that you would like us to take into consideration when determining your eligibility for an application, please attach a letter to this form describing or indicating any additional information you would like the Scholarship Committee to take into consideration when determining your eligibility for an application.
